6:20 – 7:30 **Keynote Address:** Brigadier General Thomas J. Tickner,
Commander and Division Engineer for the North Atlantic Division, U.S.
Army Corps. Of Engineers

TOPIC

**U.S. Army Corps of Engineers – Providing Engineering and Construction
Services to the Nation and the World**

Brig. Gen. Thomas J. Tickner is the commanding general and division engineer for the U.S. Army Corps of Engineers (USACE) North Atlantic Division. He oversees an annual program of more than \$5 billion to plan, design and construct projects to support the military and various engineering related projects.

Brig. Gen. Tickner will discuss how the North Atlantic Division - one of nine USACE regional commands - provides engineering and construction services to the nation. Challenges that can include humanitarian assistance, deepening federal channels and harbors. Brig. Gen. Tickner's talk will feature USACE support to emergency and contingency operations – like USACE support to FEMA for the COVID response.
